

Fun for family and friends!

Donations may be made on behalf of individuals other than the donor. For example, parents or grandparents can make donations in the names of their children or grandchildren. For a donation of \$100.00, a grandfather can make his grandchild a Sergeant in the First Virginia Regiment.

Make yourself a General, and all your kids Sergeants. (Better yet, make your wife a General!)

Donations will gladly be accepted from individuals who are not members of the Virginia Society, or indeed, members of the SAR.

So . . . everyone can enlist in the First Virginia Regiment and support the important work of the Virginia Society SAR!

Tax Deduction

The Virginia Society SAR is a tax-exempt, charitable organization, as described in section 501(c)(3) of the Internal Revenue Code. Your contributions to the Virginia Society SAR may be deductible on your Federal and state tax returns. Please consult your tax attorney or accountant.

You can designate that your entire contribution should be allocated to any of the five Virginia Society Trust Funds, or you can divide your contribution among two or more of the trust funds.

Lapel pins: Display your rank in the Virginia Society First Virginia Regiment

The National Society has the George Washington Endowment Fund. Other state societies have various trusts that support their operations. The National Society and other state societies award lapel pins to their donors to wear as a special testament to the donor's generosity.

When you make a contribution under the First Virginia Regiment program, the Virginia Society shall award you, or the person in whose name you make the contribution, a lapel pin with the insignia of the appropriate rank in the First Virginia Regiment.

Donations are cumulative.

A donor may contribute \$100.00 in one year, and be "commissioned" as a Sergeant. Later on, the same donor may contribute an additional amount, and be promoted to a higher rank. For example, if this same donor contributes \$100.00 annually, after the third \$100.00 donation, he would be promoted to Captain, and after the fifth \$100.00 donation, he would be promoted to Colonel. With each promotion, this donor would receive the lapel pin appropriate for his new rank.

Records of all donations under the First Virginia Regiment program shall be maintained by the Virginia Society.

The five Virginia Society trust funds

** The Howard L. Hamilton Fund*

Disbursement is made directly to the Virginia Society. The Board of Managers of the Virginia Society determines how the income disbursed to the Society from the Trustees shall be spent. This trust fund has been used to help pay the operating expenses of the Virginia Society.

** The George Knight-Kenneth C. Patty Memorial Trust Fund*

There are six purposes of the Knight-Patty Fund, which are set forth in the Declaration of Trust. Expenditures are made by the Knight-Patty Trustees directly. This trust fund has been used to support special projects of the Virginia Society and its chapters.

** The Flathers-May*

Virginia Society Bulletin Endowment Fund

This fund is used to provide financial support for the maintenance, enhancement, and publication of *The Virginia Bulletin*.

** The Paul M. Frantz and Charlotte H. Philen*
